

# Spring Campaign 2011

*When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."*

*John 8:12 (NIV)*

Dear Friend

As Chair of the Board of Governors, I am excited to have this opportunity to thank you for your commitment to The King's University College and to tell you what a difference your support has made. With the support of our community, King's graduates have brought, and continue to bring, 'light to the world'. **Graduates can be found in every corner of the globe, carrying out world-changing, transformational service in their communities.** And it doesn't stop there! King's is preparing and equipping a new generation of current and future students to continue the important work of bringing renewal and reconciliation to the world!

Our community is a key component in achieving this mission. **King's cannot do this on our own. We need your help! We need you to share in the vision, to support the mission with your prayers and financial support, and to join as followers of Jesus Christ, the Servant-King.**

We continue to have challenges on the financial front. King's didn't meet its budget targets in 2010. Our operating needs outweighed the financial resources available to us and we are dealing with similar challenges this year.

King's currently relies on donations from our support community for close to 20% of its operating budget. **This means each and every gift we receive is extremely important and has a significant and immediate impact on our ability to deliver Christian university education. Without you, we cannot prepare men and women to serve in world-changing ways!**

***Your gift to King's is vital and will ensure we can continue to flourish and grow in the name of the one we serve!***

**Yes**, *I/we want to support the community which is King's, as I/we believe in its mission and vision.*

***Thank you for supporting Christian university education at King's!***

Please consider giving a gift to King's today. Your support and prayers **will make a difference** in the lives of students and our communities, as we strive ***“to provide university education that inspires and equips learners to bring renewal and reconciliation to every walk of life as followers of Jesus Christ, the Servant-King”.***

Christian university education is a gift from God . . . a gift worth celebrating, supporting and sharing with students around the world!

To Him be the glory!

Bill Diepeveen, Chair  
Board of Governors  
The King's University College

### ***World-Changing Teachers . . .***

“As Christian educators in the Education program at King's we pride ourselves in developing reflective teachers who have the knowledge, skills and attributes required in today's complex school environments, as well as a clear vision of the transformational power of education. With our students we fully explore the Christian worldview and its impact on teaching and learning. It is your support that makes this possible!”

*Bernice Stieva*  
Assistant Professor, Education

### ***Community Engagement . . .***

“A while back, a King's student invited her friends to come home with her. After attending a worship service at our church, they asked if they could come back and lead a Sunday service. They came in February and it was wonderful! There were five current King's students and one former student. They were very professional, musically gifted, had fabulous voices and really blessed our worship!”

*Rachel deKoning-Kraay*  
Board Member, Central Alberta

### ***Student Dreams . . .***

“As a fourth year student graduating in April 2011, I know how important your support is to King's and the impact it has on students like me. I want to graduate and work in a field that lets me develop marketing and business experience. Thanks to King's, I can take not only what I have learned but what I believe into the community. Thank you for your continued prayers and for making Christian education a reality for me.”
