King's currently serves over 900 students of all ages from a variety of backgrounds from across Canada and abroad, representing a wide variety of nations.

Sessional Instructor: Chemistry

Part-time

POSITION SUMMARY

The Faculty of Natural Sciences at The King's University is seeking a sessional instructor for *CHEM 399: Special Topic in Chemistry* in the Fall term of the 2021-2022 academic year. This class meets for 3 hours per week, and the appointment may include one 3-hour lab section, if applicable.

COURSE DESCRIPTION

We are looking for applicants who are trained in and can offer a senior, special topics course in an area such as, but not restricted to:

- Materials chemistry
- Nanotechnology
- Medicinal chemistry
- Natural products chemistry
- Polymer chemistry
- Chemical biology

Students taking CHEM 399 are third and fourth year chemistry majors and will have completed general chemistry (CHEM 200/201), organic chemistry (CHEM 350/351), and analytical chemistry (CHEM 311/312). The chemistry program at The King's University is a CIC four-year accredited chemistry program.

QUALIFICATIONS

- MA or PhD in Chemistry or related discipline, with graduate level course work in teaching area
- Post-secondary teaching experience as either a principal instructor or a teaching assistant.
- Assent to the University's Christian Statement of Faith

A condition of employment is assent to the University's Christian Statement of Faith found at:

<https://www.kingsu.ca/about-us/careers>

Position will remain open until suitable candidates are found. Forward a resume and a letter of application, indicating area of special topic and summarizing relevant teaching experience, to:

Dr. Andrew Tappenden, Dean of Natural Sciences

The King's University

9125-50 Street, Edmonton, Alberta, T6B 2H3
