

The King's University offers an exceptional liberal arts education from a Christian perspective. Located in Edmonton, Alberta, King's serves students from across Canada and around the world. Join a dedicated team who have a desire and common mission to see students grow in a dynamic and nurturing Christian environment. People who love working and succeed at King's serve God gladly, work collaboratively, think creatively, and embrace diversity.

Sessional Lab Instructor: Biology

Part-time

POSITION SUMMARY

The Faculty of Natural Sciences at the King's University is seeking a sessional lab instructor in Biology for the winter term of the 2024 - 25 academic year. The term runs from January 7th – April 29th, 2025. Each lab section meets 3 hours per week. These courses will be offered in person at our campus in Edmonton.

COURSE DESCRIPTION

Biology 308 – Human Physiology Systems (2 Lab sections)

This course provides an overview of the mechanisms and processes involved in human physiology. Students will learn to understand the complexity of the human body and develop a deeper understanding of how physiological systems function and interconnect. In the lab component students will conduct experiments demonstrating physiological concepts with a hands-on approach across the various human systems.

Labs are scheduled for Tuesdays, 2:00 – 5:00pm and Wednesdays, 2:00 – 5:00pm

QUALIFICATIONS

- BSc, MSc, or PhD in Biology or related discipline
- Post-secondary teaching experience as either a principal instructor or a teaching assistant.
- Assent to the University's Christian Statement of Faith

A condition of employment is assent to the University's Christian Statement of Faith found at:

<https://www.kingsu.ca/about-us/careers>

Position will remain open until a suitable candidate is found.

Apply by submitting a resume and cover letter through our online portal at [kingsu.ca/about-us/careers](https://www.kingsu.ca/about-us/careers).

Dr. Andrew Tappenden, Dean of Natural Science
