

THE
KING'S
UNIVERSITY

SEE WHAT YOU CAN DO

VIEWBOOK | 2026-2027

The King's University is located in Amiskwaciy-waskahikan, a gathering place and home, past and present, for many Indigenous peoples, now part of Treaty Six territory and the Métis homeland.

98%

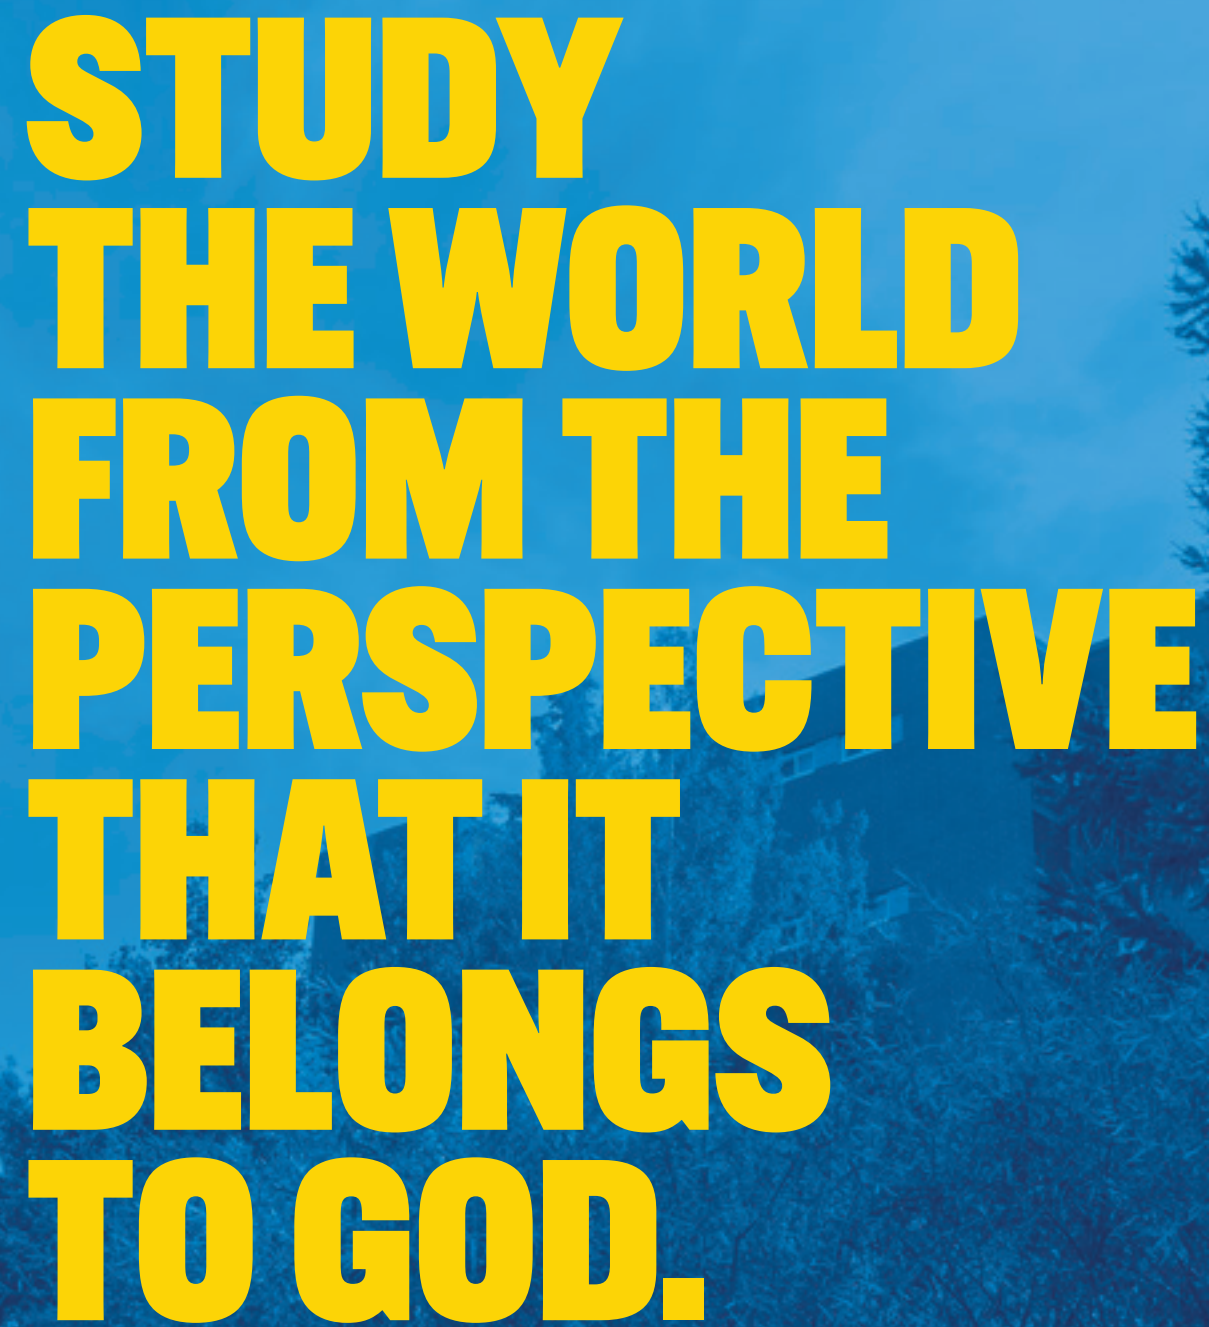

Graduates employed within two years of completing their degree.

96%

Graduates who feel confident in the education they received.

7K+

Number of alumni who are making a difference around the world.

STUDY THE WORLD FROM THE PERSPECTIVE THAT IT BELONGS TO GOD.

For over 45 years, King's has welcomed students from all walks of life to learn and grow together. Whether you're a Christian, part of another faith tradition, or just starting to explore what God might mean for your life, there's a place for you here.

King's was founded on the beliefs that our world belongs to God and that faith and learning are inseparable. Our mission is to make a transformative impact in the world as followers of Jesus. That starts with serving, inspiring, and empowering students like you.

You're joining a diverse and caring community that will journey with you as you discover more of who God wants you to be. We don't shy away from tough questions, but hope is always at the centre of our conversations. We'll help you imagine a brighter future so that you can go out and make it a reality.

God has a calling for your life. Come find it at King's!

Dr. Melanie Humphreys
President

MORE THAN A DEGREE

Make the most of your experience. Personalize your education by exploring a variety of co-curricular options. Broaden your horizons with our in-depth liberal arts program and get real-world experience through internships and field learning. Discover what brings you life.

FACULTY MENTORSHIP

Our faculty care about your success. If you're looking for one-on-one advising or just want to grab a coffee, professors take the time to help you feel confident in your studies.

UNDERGRADUATE RESEARCH

Looking for research experience? Work alongside professors on conservation initiatives, software development, and grant-funded projects. You can also join student research teams like the King's Centre for Visualization in Science (KCVS).

MICAH CENTRE

The Micah Centre gives you knowledge and tools to take action and make the world a better place. Pursue justice by volunteering with the Micah Student Society, interning with an NGO or non-profit organization, or participating in service-learning field courses. You can also pair the Micah Centre Justice & Development Certificate or Fellowship with any bachelor's degree.

EXPERIENTIAL LEARNING

Move from theory into practice through hands-on learning opportunities. Conduct field research, explore internships with local businesses, or take part in real-world projects alongside professors and industry professionals.

STUDENT SUPPORTS

LEARNING SERVICES

Access writing help, tutoring, accessibility services, and English language support.

WORKSHOPS

Looking for study tips or note-taking advice? Pop-up workshops help you excel in your studies!

COUNSELLING

Invest in your mental health! Free on-campus or online counselling services are available for every student.

WORSHIP NIGHTS

Come for an evening service with worship, Scripture, and snacks! We partner with a different church each month so you can connect with ministries in Edmonton.

FAITH & WORSHIP

Don't leave your faith at the door. As Edmonton's Christian university, faith is woven into the student life experience. You'll find opportunities to explore your faith, and friends to explore it with.

SMALL GROUPS

Life isn't meant to be lived alone. Small groups help you build deeper relationships as you grow in faith, ask hard questions, and study the Bible with friends.

POP-UP EVENTS

Pop-up events like *Brownies & Bible Trivia*, *New Testament & Nuggets*, and *Who Said It: Taylor Swift or Lamentations?* happen throughout the semester.

WEEKLY CHAPEL

Wednesday chapel is your weekly reset to gather in community for praise, prayer, and Scripture. Once a month we invite a guest speaker to give the message — and some weeks we even have pancakes!

PRAYER ROOM

The Prayer Room is a dedicated space for you to pray, journal, or just have a quiet moment in between classes. You can also book this space for small group Bible studies.

CHURCH CONNECT

Find your home church! King's partners with churches from the Edmonton area to connect you with a variety of ministry opportunities. You can also meet local church leaders at our church fair, held every September.

GET INVOLVED

STUDENTS' ASSOCIATION

The King's University Students' Association (TKUSA) is your elected student government. It provides services, hosts events, and advocates for student interests. TKUSA also manages the student health and dental plan.

CONNECT GROUPS

Get to know your classmates and make lasting friendships from your very first year at King's! Your faculty mentor and student navigators are here to offer support as you make the transition to university life.

CLUBS & GROUPS

Explore your passions outside of class through 20+ academic, athletic, and hobby clubs.

KINGS OF IMPROV

Exercise your improv skills and perform with friends in a fun, community-oriented environment.

PHILOSOPHY CLUB

Meet with fellow philosophers to discuss life's many questions and the theories that try to answer them.

KING'S CLIMBERS

Grab your chalk and check out one of Edmonton's seven indoor rock climbing gyms.

CAMPUS LIFE

Fall Retreat, Battle of the Bands, Residence Rumble, and Global Awareness Week are just some of the great events and activities you can look forward to throughout the year.

OUR CITY

With over 150km of trails, world-class sports and entertainment, and the largest mall in North America, there's never a boring weekend in Edmonton! Plus, King's is 30 minutes from Elk Island National Park and only a half day's drive from Jasper and Banff.

CHEER FOR YOUR TEAM

The King’s Eagles are provincially- and nationally-ranked in the Alberta Colleges Athletic Conference (ACAC). As an Eagle, your coaches will give you personalized training and mentorship to develop top-level skills and character as an athlete.

ACAC TEAMS

- ▶ Badminton
- ▶ Basketball
- ▶ Cross-Country/
Indoor Track
- ▶ Soccer/Futsal
- ▶ Volleyball

CAN'T STOP THE RISE

Eagles teams rank highly in provincial and national championships. Where will your athletic career take you?

2024-25

Badminton Mixed Doubles
Gold Medal, ACAC Nationals

Women’s Basketball
Bronze Medal, ACAC Championships

2023-24

Men’s Soccer
Bronze Medal, ACAC Provincials

Badminton Mixed Doubles
Gold Medal, ACAC Nationals

Women’s Basketball
Silver Medal, ACAC Provincials

BECOME AN EAGLE

Train with talented coaches and play with supportive teammates. Sign up for an Eagles ID camp or fill out the online recruitment form today.

INTRAMURALS

Get a team together and play in a environment that celebrates skill-building and community. You can also join fun one-day tournaments!

MAKE IT LIKE HOME

Get the full experience. Living in residence is the best way to meet new friends and make the most of university. Don't miss out! Reserve your spot in residence today.

CAMPUS AMENITIES

When you live on campus, you're only a three-minute walk from campus amenities like the Workout Centre, cafeteria, and community trail. In the winter, you can also grab your skates or hockey gear and hit the outdoor ice rink.

TOWER RESIDENCE

- ▶ Single or double rooms
- ▶ En-suite bathroom
- ▶ Twin beds, wardrobes, and workstations
- ▶ Most affordable on-campus residence option

TOWER SUITES

- ▶ Two large double bedrooms
- ▶ Two en-suite bathrooms
- ▶ Twin XL beds, wardrobes, and workstations
- ▶ Furnished living area and kitchenette

APARTMENTS

- ▶ Six single bedrooms
- ▶ Two bathrooms
- ▶ Twin beds, wardrobes, and workstations
- ▶ Furnished living area and full kitchen

STUDENT LOUNGES

Enjoy exclusive access to residence lounges for movie nights, potlucks, and late-night study sessions.

PACK THE ESSENTIALS

- ▶ Cozy blankets
- ▶ Extra pillows
- ▶ Bedside table
- ▶ Storage bins (for snacks)
- ▶ Colourful rug
- ▶ Beanbag chair
- ▶ Electric kettle
- ▶ Costco pack of ramen
- ▶ Plants (real or fake)
- ▶ Clothes hangers
- ▶ Bluetooth speaker
- ▶ TV & HDMI cable
- ▶ Game console
- ▶ Earplugs
- ▶ Desk lamp
- ▶ Decorative lights

WHAT WILL YOU DO?

OUR DEGREE PROGRAMS

FACULTY OF ARTS

- ▶ Biblical Studies & Theology
- ▶ English
- ▶ Environmental Studies
- ▶ History
- ▶ Music
- ▶ Philosophy
- ▶ Politics, History & Economics
- ▶ Psychology
- ▶ Social Sciences
- ▶ Sociology

FACULTY OF NATURAL SCIENCE

- ▶ Biology
- ▶ Chemistry
- ▶ Computing Science
- ▶ Interdisciplinary Science
- ▶ Kinesiology
- ▶ Psychology

LEDER SCHOOL OF BUSINESS

- ▶ Business
- ▶ Business Administration

FACULTY OF EDUCATION

- ▶ Elementary Education
- ▶ Secondary Education

NON-DEGREE PROGRAMS

- ▶ Justice & Development Certificate
- ▶ Leadership Quality Standard Certificate
- ▶ Performer's Certificate

ADDITIONAL MINORS

- ▶ Canadian Studies
- ▶ Christianity & Contemporary Culture
- ▶ Communication Arts
- ▶ Drama
- ▶ Economics
- ▶ Geography
- ▶ Political Science

FULLY ACCREDITED

Our degrees are accredited by the Government of Alberta and recognized by professional and industry organizations from across Canada.

FACULTY OF ARTS

BIBLICAL STUDIES & THEOLOGY

B.A. (3-YEAR)

What makes the Bible so compelling? Why is Christianity unique? Who is Jesus, and what do his life, death, and resurrection mean for the world?

DIVE INTO SCRIPTURE

Learn how themes and patterns in Scripture tell God’s story in creation. Consider Christianity as an ancient religion, a historical ideology, and a contemporary movement. Discover for yourself what the gospel means for all humanity.

FUTURE PATHS

- Bible Translator
- Religious Historian
- Pastor
- Worship Leader

PROGRAM-SPECIFIC REQUIREMENTS

No program-specific requirements.

ENGLISH

B.A. (3-OR 4-YEAR)

What makes a book a “classic?” Does AI have a place in writing? Do stories have the power to change the world?

EXPLORE GREAT STORIES

Study areas like creative writing, Canadian literature, and narrative structures. Topical courses draw connections between literature and diverse subjects like the environment, psychology, and film.

FUTURE PATHS

- Copywriter
- Journalist
- Librarian
- Publisher

PROGRAM-SPECIFIC REQUIREMENTS

No program-specific requirements.

FACULTY OF ARTS

ENVIRONMENTAL STUDIES

B.A. (4-YEAR)

What does sustainability look like? How do humans relate to their environment? Can living simply be an act of justice?

PURSUE SUSTAINABILITY

Explore conservation through the lenses of social justice, government policy, and past sustainability movements. Learn about God’s creation and discover how to protect it for future generations.

FUTURE PATHS

- Conservation Officer
- Waste/Water Specialist
- ESG Advisor
- Policy Analyst

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1 or 30-2
Biology 30
Chemistry 30

HISTORY

B.A. (3-OR 4-YEAR)

How do cultures and societies develop? What fuels war? Can understanding the past shape a better future?

DISCOVER THE PAST

Immerse yourself in the diversity of human experiences and uncover common themes across cultures. Encounter unexpected ways of thinking about topics like conflict, colonization, and historical attitudes about sexuality.

FUTURE PATHS

- Museum Curator
- Diplomat
- Archivist
- Teacher

PROGRAM-SPECIFIC REQUIREMENTS

No program-specific requirements.

STUDY AT OXFORD

Spend a semester abroad at Oxford University! Experience the cultural history of England as you study Shakespeare, attend classes at the Globe Theatre, and research in some of the oldest libraries in Europe.

“One thing that draws me to studying history from a faith perspective is asking foundational questions. When we look at the past, who is our neighbour? Where does a question like that lead us?”

– Dr. Mark Sandle, Professor of History

FACULTY OF ARTS

MUSIC

B.A. (3-OR 4-YEAR) B.MUS. (4-YEAR)

Why do some notes harmonize while others don't? Are classical works still important? Can music move us to be better?

PLAY TO INSPIRE

Explore the rich history of western classical music through a blend of theory and practical instruction. Prepare for a career in teaching or performance with the guidance of talented musical instructors.

FUTURE PATHS

Performer Teacher
Music Therapist Conductor

PROGRAM-SPECIFIC REQUIREMENTS

Music Theory Assessment
Audition

PHILOSOPHY

B.A. (3-YEAR)

What “truths” do people take for granted? Does a universal moral standard exist? Can logic and reason reveal absolute truth?

ASK THE BIG QUESTIONS

Study important philosophical movements and explore their impacts on politics, society, and culture. Analyze ethical frameworks and come to your own conclusions about what makes a life well-lived.

FUTURE PATHS

Professor Technology Ethicist
Lawyer Policy Advisor

PROGRAM-SPECIFIC REQUIREMENTS

No program-specific requirements.

FACULTY OF ARTS

POLITICS, HISTORY & ECONOMICS

B.A. (4-YEAR)

What drives political movements? Are some economic systems better than others? Can globalization promote justice and healing?

MAKE A DIFFERENCE

This interdisciplinary major equips you to wrestle with tough questions facing our world today. Dive into modern and historical conflict, public policy, and the economy as you use theories to understand contemporary issues.

FUTURE PATHS

Politician Campaign Manager
Urban Planner Lawyer

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-2 (recommended)

PSYCHOLOGY

B.A. (3-OR 4-YEAR)

Why do people respond differently to trauma? Do personalities change over time? How can faith inform a psychology of hope?

PROMOTE WELLBEING

Explore what makes each of us unique and consider how society, childhood, and habits impact thought and behaviour. Discover how psychology can bring hope and healing to a broken world.

FUTURE PATHS

Counsellor Child Psychologist
Social Worker Occupational Therapist

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1 or 30-2

PARLIAMENT HILL

Spend your winter term in Ottawa at TWU's Laurentian Leadership Centre. Live in a renovated heritage mansion minutes away from Parliament Hill and earn academic credit as you interact with national leaders and learn what it takes to work in politics.

“In studying philosophy, I’ve engaged with all aspects of my life—my faith, my job, my relationships, my classes—more fruitfully and critically. Philosophy has given me tools to engage more deeply with the ‘everyday’ of my life.”
– Dr. Anna Boesenkool, Philosophy ‘20

FACULTY OF ARTS

SOCIAL SCIENCES

B.A. (3-YEAR)

What connects people? Why do economic systems benefit some and oppress others? How can spirituality help communities thrive?

UNDERSTAND THE WORLD

This flexible major covers topics like human psychology, public health, and social disorder. Deepen your understanding of the world and consider the challenges presented by how societies are organized.

FUTURE PATHS

Teacher
Correctional Officer

Public Liaison
Social Worker

PROGRAM-SPECIFIC REQUIREMENTS

No program-specific requirements.

SOCIOLOGY

B.A. (3-OR 4-YEAR)

How do people form preferences? What causes criminal behaviour? Why do social and global inequalities persist?

GO DEEPER

Gain a deeper understanding of culture, human interaction, and social justice. Hone your research and critical thinking skills as you consider how ethnicity, gender, and religion shape our lived experiences of the world.

FUTURE PATHS

Police Officer
Human Resources

Community Organizer
Criminologist

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1 or 30-2

FACULTY OF NATURAL SCIENCE

BIOLOGY

B.SC. (3-OR 4-YEAR)

How do species interact? What anatomical systems impact health and wellness? What can biology reveal about the origin of life?

STUDY THE COMPLEXITY OF LIFE

Work with advanced lab equipment from your first year and get hands-on research experience through field courses. You can pursue your passion by specializing in human physiology, ecology, or zoology.

FUTURE PATHS

Veterinarian
Health Professional

Plant Scientist
Wildlife Biologist

PROGRAM-SPECIFIC REQUIREMENTS

Biology 30
Chemistry 30
Mathematics 30-1

CHEMISTRY

B.SC. (3-OR 4-YEAR)

What’s happening at the atomic level? Can chemistry help protect the environment? What do subatomic particles reveal about God?

REVEAL HIDDEN WORLDS

Put on your lab coat and explore organic chemistry, quantum mechanics, and industrial chemistry. Conduct advanced experiments, join grant-funded projects, and learn practical skills for your future.

FUTURE PATHS

Anesthesiologist
Pharmacist

Toxicologist
Professional Chemist

PROGRAM-SPECIFIC REQUIREMENTS

Chemistry 30
Mathematics 30-1
Physics 20

AU SABLE INSTITUTE

Au Sable is a Christian environmental science research institute partnered with King’s. Earn academic credit and get real-world research experience studying at field stations in North America and South India.

“Lab experience and hands-on projects helped me gain a deeper understanding of what I was learning while opening doors for research and grad school opportunities down the road.”

– Ava Griffioen, Interdisciplinary Science ‘25

COMPUTING SCIENCE

B.SC. (4-YEAR)

What are the advantages of different coding languages? Can AI be used responsibly? How can programming make the world a better place?

BUILD SOMETHING NEW

Gain the knowledge and skills you need to solve problems. Use programming to complete processes that are too complicated for humans to accomplish unassisted. Build competencies in web development, cyber-security, and AI.

FUTURE PATHS

Programmer App Developer
Software Engineer Game Designer

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1

ENVIRONMENTAL STUDIES

B.SC. (4-YEAR)

How is the climate changing over time? What does reclamation look like? Can stewardship benefit all of creation?

UNDERSTAND, PROTECT, RESTORE

Dive into conversation biology, environmental stewardship, and resource management. You will also have the opportunity to complete a 13-week internship placement to further specialize in your area of interest.

FUTURE PATHS

ESG Advisor Ecologist
Wildlife Biologist Resource Officer

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1 or 30-2
Biology 30
Chemistry 30

ENVS MEETS
COMP SCI

Last year computing science students helped build EventFinder, an automated program that assists biologists in processing and classifying pictures from wildlife camera traps to study animal population health in Alberta.

INTERDISCIPLINARY
SCIENCE

B.SC. (4-YEAR)

How are kinesiology and psychology connected? Can computing science help conservation? How can different ways of thinking work together?

CUSTOMIZE YOUR DEGREE

This flexible program allows you to specialize in two concentrations at once. Discover unique connections between disciplines, advance real-world research, and prepare for your career in science.

CONCENTRATIONS

Biology Kinesiology
Chemistry Physics/Math
Computing Science Psychology

FUTURE PATHS

Optometrist Dentist
Medical Doctor Lab Technician

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1 or 30-2
Biology 30, Chemistry 30, Physics 30,
or Science 30

COMING
FALL 2026

The Centre for Excellence in the Sciences will house King’s research centres and state-of-the-art facilities for studying kinesiology and other health sciences.

KINESIOLOGY

B.KIN. (4-YEAR)

How do systems work together to move the body? What habits improve athletic performance? How can exercise promote wellness and healing?

HEAL THROUGH MOVEMENT

Explore your passion for movement through anatomy and physiology. Study how the human body functions in sport, recovery, and everyday life. Explore topics like cariovascular health, sports research, and physical wellness.

FUTURE PATHS

Physiotherapist Sports Therapist
Gymnastics Coach Occupational Therapist

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1 or 30-2
Biology 30, Chemistry 30, Physics 30,
or Science 30

FACULTY OF NATURAL SCIENCE

PSYCHOLOGY

B.SC. (4-YEAR)

How much do we really know about the brain? Do genetics affect behaviour? Can pharmacology bring hope?

DISCOVER PATHS TO HEALING

Learn how neuroanatomy and neuropsychology impact human thought and behaviour. Labs, fieldwork, and volunteer opportunities give you practical experience as you discover how psychology can bring healing.

FUTURE PATHS

Psychiatrist Speech Therapist
Neuroscientist Psychiatric Nurse

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1 or 30-2
Biology 30

LEDER SCHOOL OF BUSINESS

BUSINESS

B.COM. (4-YEAR) B.A. (3-YEAR)

What makes for a healthy business? Can a corporation be successful and ethical? How can businesses further the kingdom of God?

BUSINESS FOR A BETTER WORLD

Integrate courage, confidence, and compassion as you encounter the world of business. Internships and case competitions allow you to apply your learning and expand your networks. Study abroad programs in the Netherlands and South Korea offer unique opportunities to broaden your horizons.

CONCENTRATIONS (B.COM.)

Accounting
Business Information Systems
Environmental Management
International Business
Marketing
Non-Profit & Social Entrepreneurship
Sports & Recreation Management
Small Business & Entrepreneurship

CONCENTRATION (B.A.)

Business Administration

FUTURE PATHS

Accountant Entrepreneur
Business Analyst Sports Manager

PROGRAM-SPECIFIC REQUIREMENTS

Mathematics 30-1 or 30-2

Learn about cross-cultural ethics and European culture at Christelijke Hogeschool Ede (CHE) in the Netherlands.

FACULTY OF EDUCATION

ELEMENTARY EDUCATION

B.ED. (2-YEAR AFTER-DEGREE)

What makes kids curious? How can learning be exciting? What inspires students to follow their dreams?

BUILD A STRONG FOUNDATION

Discover the many ways that children learn and apply these concepts in 17 weeks of practicum. One-week modules allow you to plan lessons in subjects like art, physical education, and music, so you can enter the classroom with confidence.

FUTURE PATHS

Elementary Teacher ESL Instructor
Guidance Counsellor Principal

PROGRAM-SPECIFIC REQUIREMENTS

See kingsu.ca/ed-requirements

SECONDARY EDUCATION

B.ED. (2-YEAR AFTER-DEGREE)

What do young people need to succeed? What captures a student’s imagination? How can high school prepare students for life?

INSPIRE YOUNG MINDS

Learn to mentor junior high and high school students with empathy and compassion. Apply techniques throughout 17 weeks of practicum that will help you encourage students and equip them for the future.

FUTURE PATHS

High School Teacher Principal
Curriculum Designer Adult Educator

PROGRAM-SPECIFIC REQUIREMENTS

See kingsu.ca/ed-requirements

YOUR B.ED. IN FIVE YEARS

When you pair a King’s three-year bachelor’s degree with our two-year B.Ed., you’re on track to get your teacher certification in just five years. Get into the classroom in your first or second year to see if teaching is for you.

GENERAL ADMISSION REQUIREMENTS

This is a list of common approved courses. Please note that **English 30-1 or an equivalent** is required for all programs (including Music). Check with an admissions advisor to learn about other courses accepted for admission. Course lists for other provinces are available at kingsu.ca/admission-requirements. For English proficiency requirements visit kingsu.ca/elp.

STUDENT FINANCE

Over \$700K is awarded in scholarships every year. And when you apply to King’s, you’re automatically considered for up to \$3,000 based on academic eligibility.

COST PER TERM

TUITION & FEES	
Canadian tuition	\$7,781
International tuition	\$11,672
Student fees	\$910
Orientation fee	\$160
Healthcare plan (estimate)	\$325
Books & supplies (estimate)	\$650

RESIDENCE	
Tower Room (double)	\$2,070
Tower Room (single)	\$3,105
Tower Suite	\$2,380
Apartments	\$2,691

MEAL PLANS	
Standard plan	\$2,655
Limited plan	\$2,254

ENTRANCE SCHOLARSHIPS

Students are considered for scholarships based on their top four standard courses:

Honours Scholarship

- Award of \$2,000
- Average of 80–89%

Academic Distinction Scholarship

- Award of \$3,000
- Average of 90–100%

A scholarship of \$1,500 is available to students transferring from another institution with a cumulative GPA of 3.50–4.00.

COMPETITIVE AWARDS

There are lots of competitive awards and bursaries. Here are just a few examples:

- Welcome Home Bursary
- CS Lewis Scholarship in English Literature
- Aboriginal Student Fund
- Alberta Blue Cross Entrance Scholarship

Discover scholarships and bursaries available to King’s students at: kingsu.ca/scholarships

GOVERNMENT GRANTS & LOANS

Federal and provincial government aid is available for students who qualify. Applications must be submitted to your province or territory of residence.

STUDENT COST CALCULATOR

Estimate the cost of one year at King’s after government assistance and scholarships.

Try it for yourself. kingsu.ca/calculator

STUDENT EMPLOYMENT

Looking to earn some extra money? Students can pursue on-campus work during the school year and throughout the summer months.
