

The King's University offers an exceptional liberal arts education from a Christian perspective. Located in Edmonton, Alberta, King's serves students from across Canada and around the world. Join a dedicated team who have a desire and common mission to see students grow in a dynamic and nurturing Christian environment. People who love working and succeed at King's serve God gladly, work collaboratively, think creatively, and embrace diversity.

Sessional Instructor: Biology Lab

Part Time, Sessional

POSITION SUMMARY

The Faculty of Natural Sciences at the King's University is seeking a Sessional Lab Instructor in Biology for the following course in the Winter term of the 2025-26 academic year. The course meets for 3 hours per week.

COURSE DESCRIPTIONS

Winter 2026

BIOL 290: Biology Concepts and Connections – Lab only

Mondays 2:00 – 5:00

A survey of the fundamental concepts central to biology, with emphasis on equipping students to understand and respond to everyday life experiences. Examples will be drawn from the biology of health, genetics, and human interaction with the environment, and other current topics.

QUALIFICATIONS

- Minimum of a 4-year BSc in Biology or closely related field.
- Post-secondary teaching experience as either a primary instructor or teaching assistant
- Assent to the University's Christian Statement of Faith

A condition of employment is assent to the University's Christian Statement of Faith found at:

<https://www.kingsu.ca/about-us/careers>

Position will remain open until a suitable candidate is found.

Apply by submitting a resume and cover letter through our online portal at [kingsu.ca/about-us/careers](https://www.kingsu.ca/about-us/careers).
